1.4 The Court was unaware of these above actions; therefore, Bartlett & Green went to Court with dirty hands. They lied about this and other things.

**1.5 Ex turpi causa non oritur actio.**

2 We ask for all Court action to be removed in any court case Mr Bartlett & Green is involved with Me as he used the above lie in all parts of the court case I had with him.

2.1 We seek damages from 2007 on wards when Bartlett first started these actions with his lawyer Mr Woodside help

2.3 They preyed on my mother who had medical issues for gain.

2.4 They failed their duty of care to my mother and me.

2.5 The lawyers said Bartlett and Woodside did the Wills wrong on purpose to cause problems and cause costs.

**History**

3.3.3 Also my mother's states like many others that her final will left me everything and this was tampered with by Woodside

34 Bartlett has always wanted my mother's guest house.

3.4.1 Mr Bartlett was after next stores home and others.

3.4.2 Mr Bartlett was done by the Law Society in the past for 300,000 fine (Exhibit Law Society File No 8751-2003 see attachment Bartlett-8751.03.pdf (1,512K) ). And someone else took the fall for him. The person who did this case now helps lawyers get out of jail!

3.4.3 He became executor of my mother's Will by force

3.4.3 Tried to undervalue my mother's home by 750,000

3.5. From the Court Medical Expert & FRSM who have seen my mother's new evidence in 2019, my mother's case should be reopened as it looks like she was murdered for her money and her home and there is no doubt with the new evidence that this is provable in court.
